

FAIR ACRES HALLOWEEN PARTY

Friday October 29, 2021
11:00 - 12:00

ALL Fair Acres children are welcome. It will be an exciting morning filled with games on the field and a costume parade. This party takes place entirely outside, so please dress your child (and yourself) for the weather.

Children will enjoy a special snack in their classrooms before heading outside to the festivities. Parents are welcome to send in a pre-packaged special snack for their child's classroom. Each classroom will have a sign up on their Class Tag. Just a reminder we are NUT FREE school.

If your child regularly attends school on Friday, please bring his/her costume to school in a bag. (PLEASE, put your child's name on all items and leave accessories at home, it is very difficult for teachers to account for these things) Thanks!

If your child **DOES NOT** regularly attend school on Friday.....

You are welcome to attend our Halloween party with your child. Please meet your child's class in the field at 10:55 to join us for games and the parade.

We know that social distancing may be hard to adhere to so we are asking that all adults wear masks while at the Halloween Party.

This is a special day for your child so we ask that siblings not attend. For those who would like to watch the parade, it will begin at 11:45 on the front lawn. **(Please sign your child out with his/her teacher before leaving)**

Thanks, and Have a Spooky Day!
