The Fair Acres Carnival Is Back!

Back in town this Friday, the Fair Acres Carnival! One of the most anticipated days of the summer is almost here and promises to be filled with all kinds of great games! From ring toss and face paint, to the dunk tank and cotton candy, this Friday will be one to remember! As a special guest this year we have Marcus the Magician from the Magic Company coming to preform a 45 minute comedy-magic act for the entire camp. Our very own art director, Jennifer, will also be around constructing balloon animals for the kids. Rest up because the Fair Acres Carnival is going to be CRAZY!

Our New Osprey Nesting Perch

As many of you know, we love our animals here at Fair Acres, including Amigo the horse, Luna and Lola the goats, and Lucy the camp dog. Well, just this week we added something new, a nesting perch for Osprey. Shubael's pond has been a popular home for Osprey in the past years and we are hoping our new perch may provide a perfect place for one of them to start a family. Osprey love to eat fish and in the past we have even seen them fishing right in our backyard. The perch is tucked high above the trees to give the birds a great lookout. In the picture to the right you can see the Huskies and Black Bears who give a nice perspective to just how tall the perch is. We will be sure to keep everyone updated on the Osprey through the rest of the summer and into next year when one hopefully decides to nest.

A Visit From The Ice Cream Truck

Ice Cream...probably the best way to cool off on a hot summer day! And once a session we like to treat all the campers to a visit from the ice cream truck. Whether it's the classic ice cream sandwich or a two ball screwball, it's hard not to find a smile on these kids faces. The ice cream truck will be back for session 4, so make sure you are around to enjoy!
