

FALL AFTERNOON ENRICHMENT PROGRAMS!

Nature-Inspired Art With Ms. Jennifer

Tuesdays 3:45-4:45
Oct. 7th - Nov. 18th
(No Class Nov. 11th)

Most children are instinctually tuned to the natural world. They are constantly noticing, gathering, and rearranging the myriad products of nature's bounty. Whether it's sand castles, mud pies, playing make-believe, or building forts, they are truly inspired by what nature has to offer. In this class, kids will make contact with nature and explore a variety of ways to create nature-inspired art. Projects include painting from outdoor observation, printmaking using natural objects like leaves and fruit, creating dioramas depicting the natural world, and much more. The class will run Oct. 7th- Nov. 18th with no class on Nov. 11th due to the holiday. The cost of this program will be \$90 and a \$5 discount will be given to children already enrolled in extended day on Tuesdays. Come join the fun! See Jodi or Jen to register!

Instructor Jennifer Stratton is an artist, musician, and expressive/creative arts educator. She received her training at the Expressive Arts Institute, Salve Regina University in Newport, R.I. Jennifer worked as the Art Director at Fair Acres Camp this past summer. For more information go to www.jenniferstrattonart.com.

KidFit With Miss Lori

Wednesdays 3:45-4:45
Oct. 8 - Nov. 12th

Fair Acres is always happy to announce the return of a very popular afterschool program for our students. "Miss Lori" from Klub Kidz will be back this year teaching a Kid Fit program at Fair Acres! Many of you may know Miss Lori from birthday parties or her creative movements classes. In Kid Fit, your child will be actively involved in games from start to finish. Along with the fun group games, music, and physical activity, we will also be talking about nutrition and helping our muscles and body to lead a healthy lifestyle. Miss Lori is full of energy and very excited to return to Fair Acres this year. The class will run October 8th- November 12th. The cost of this program will be \$85 and a \$5 discount will be given to children already enrolled in extended day on Wednesdays. We expect this program to fill up quickly, so see Jodi or Jen to register early!

Cam's Sports Camp

Thursdays 3:45-4:45
October 9th - Nov. 13th

Let's learn what it means to be a team! Our sports camp enrichment will be led by our summer camp director, Cam Larson. Cam has experience with all types of sports as he was a varsity athlete at Barnstable High school. This enrichment program will be based around the idea of growing and working together as a team. Each week children will be introduced to a new team sport, learn the rules, and practice basic skills & techniques. At sports camp, children will have the chance to try soccer, tee-ball, hockey, basketball, and much more.

The class will run October 9th- November 13th. The cost of this program will be \$85 and a \$5 discount will be given to children already enrolled in extended day on Thursdays. We are excited to welcome this new program to our afternoon enrichments. See Jodi or Jen with any questions or to register. Space is limited!
