

Fair Acres Country Day School Kindergarten

In an effort to help you prepare for your child's Kindergarten experience, we have compiled a list of some commonly asked questions.

Why Fair Acres Kindergarten?

Fair Acres boasts to be one of the best private full day kindergartens around. The full day allows the perfect balance of physical activity and academics needed for the kindergarten mind to grow. The small class size allows the teachers to tend to the individual needs of each student. The interaction between parents and teachers that happens on a daily basis allows parents to stay closely connected to their child's school experience. We have provided exceptional experiences consistently for over 25 years.

What is the class size?

Fair Acres is lucky enough to maintain a small class size of 12-15 students. This small group allows us to work one-on-one with each child to ensure they get the individualized attention to meet all of their personal needs.

Who is the kindergarten teacher and what are her qualifications?

Linda Crawford is a graduate of BSU and holds Bachelors in Elementary Ed. After graduation she continued to become Lead Teacher certified in Pre-K. She is certified to teach 2.9 years to 6th grade. Linda also has experience tutoring reading to individuals and small groups in grades Kindergarten through grade 1. She spent four years teaching in our Pre-K and 5 day Pre-K classrooms before becoming our Kindergarten Teacher. She also has experience in Montessori and is an avid believer in taking all of the "best" practices available when developing program. Creating and implementing engaging, hands on, curriculum is one of her favorite parts of teaching!

Will my child adjust to 1st Grade properly from Fair Acres Kindergarten?

The children who have attended Fair Acres Kindergarten in the past have experienced tremendous success when moving on to 1st grade. When children attend Fair Acres Kindergarten, the private setting and the small class allows each child to build their confidence in all area of development (academic, physical, emotional and social) and Fair Acres students adjust extremely well when transitioning to first grade.
