

SUMMER, 2018

FAIR ACRES SUMMER CAMP

It's been a fantastic summer so far - we hope you enjoy reading about some of the highlights!

Mismatch Day

Stripes and plaid and polka dots oh my! Our plan was to get as silly, goofy, and wild with our outfits here at Fair Acres! What better chance to wear your checkered knee socks with your flowered skirt shorts or one sneaker and one croc like Fiona one of our energetic Huskies!? Nothing went together, just the way we like!

SUMMER, 2018

Check out those shoes!

SUMMER, 2018

Color Wars

Our once a summer annual Color Wars, when we divide the entire camp up into Red Team and Blue Team was another huge success again this year! Blue had to defend their title from last year and we competed all day in events such as ultimate extreme handball, balloon pop, Schubael's plunge, capture the life preserver, dominate the flag, and our most popular event the counselor hunt. Blue team took home the victory again this year but we were all great sports and were treated to an ice-cream truck surprise.

SUMMER, 2018

Great job team Blue!

Swimming Lessons

Our two top notch lifeguards down by the pond have been working hard to improve our campers swimming skills. Skylar and Maeve take safety extremely seriously and know how important it is to teach the skills and fundamentals of swimming. From “talking to the fish” and using “big ice-cream scoop arms” to get the Blackbears and Huskies comfortable in the water to teaching rotary breathing to the Vikings and Bulldogs. Skylar and Maeve tailor their lessons to the developmental age of each group and get to work one to one with campers as they encourage them to try new things and improve down by the water!

SUMMER, 2018

Water safety, water fun!

The "Eagles"

Our Leaders-in-Training, the "Eagles," have continued to impress us each week. From teambuilding activities to learning to work together and communicate to mock interviewing and even bringing Fair Acres a recycling program. This group are role models for our campers and are growing and learning with each passing day. We could not be more excited to see what the Eagles will continue to bring to Fair Acres!

SUMMER, 2018

Role Models

Would you like to be considered to
be part of the Eagles next summer?

See Lisa or Maranda for details,
or email

SUMMER, 2018

Water Day

Wet n' Wild Water splashed into Fair Acres with a whole lot of excited, energy, and sunshine! All groups got the chance to slip and slide down New England's largest slip n' slide, some campers even made it all the way to the end! We also had two double water slides that campers raced down and challenged counselors to a head to head match, let the most air-o-dynamic camper win! Even our lifeguards got in on the action playing water polo to challenge the campers some tight matches! It was a beautiful day and to top it all off, we got a visit from the ice-cream truck too!

SUMMER, 2018

Slip 'N Slide!

Campfire Night

Our two oldest groups the Bulldogs and Vikings spent an energy packed and awesome night at Fair Acres. We searched for marshmallow sticks, played a camp-wide game Domination, went for a dusk swim, had a cookout, and finished off our night with s'mores and scary stories by the campfire. We can't wait for the next one in Session 3!

Session 4

Want in on the action? During session 4 we will host our second annual Fair Acres Block Party Bash! We are so excited for our blow-up bounce house obstacle course, a unique food truck, Velcro wall, and so much more. But the summer is flying by and we have very limited space in Session 4, grab a spot soon and contact Lisa or Maranda to register!
