Bulldogs Hangout

This summer, the most senior group of campers - the Bulldogs - enjoyed a "hangout" that was created specifically for them! Equipped with hammocks, friendship string, kan jam, corn hole, ladder ball, ping pong, picnic tables, checkers, and more, this very special domain quickly became a favorite!

Campfire Nights

A special occasion for the Vikings and Bulldogs, our Campfire Nights offered an opportunity for them to stay at camp well into the evening to enjoy camp-wide games, extra time on the water slides, a cookout and classic campfire, complete with roasted marshmallows and scary stories. There is no better way to round out the summer camp experience!

Color Wars

Our once a summer annual Color Wars - when we divide the entire camp up into Red Team and Blue Team - was another huge success this year! Campers challenged each other in extreme handball, balloon pop, slide n' slide races, counselor hunt, capture the flag, mystery point envelopes and so much more. Red pulled out the victory this year with a slim 50 point lead, scoring 1565 points over the Blue team!

Carnival Day

Mini- Domination, Frozen, and a magician in the morning to kick off Carnival Day! Our campers created their own Fair Acres Carnival all afternoon with music, popcorn, face painting, a bounce house with a slide, t-ball range, classic carnival games, and plenty of ticket winning to go around!

Water Days

Slip n' Slide races, blow up slides, water games and obstacles courses kept our campers cool as cucumbers this summer! These were the perfect summer day activities for all of the sunshine we got in!

Arts & Crafts

Our campers worked on so many out-of-the-box projects this summer, including several that mixed in science for “unconventional build weeks.”

Campers were able to innovate with paper towel rolls, water bottles, egg cartons, duct tape, packing peanuts, foil, and so much more to produce their creative construction projects.

Foam Party

The COMM Fire Department came and provided two foam parties - one for the older groups and one for the younger groups - it was like the biggest bubble bath we have ever been in with all of our camp friends at one time!

Themed Days

Themed days are always a great way to mix things up throughout the summer! On any given day our campers could be surprised with a "counselor switch day" where they get to spend the entire morning with different counselors, who are not typically with their group and meet new friends! Mismatch days are popular, because our campers are able to get as silly and crazy with their outfits as they want - plaid, polka dots and stripes are always favorites! "Sports Day" is another exciting day, when campers get to show off their team spirit and rock some gear from their favorite team.

Block Party

Our Block Party was the perfect way to end the summer - full of fun, sun and friendship! Thank you to all of our families for your part in making Summer, 2019 a tremendous success - together, we created memories that will last a lifetime!

The "Eagles"

Our 2019 Eagles completed an application process, and were selected based on their outstanding leadership potential. All of this summer's Eagles were once campers, but we welcome all 12-13-year-olds to apply to the program in 2020. Our goal for the Eagles program is to form a group of young leaders who, over the course of six weeks, will hone practical leadership skills, such as teamwork, communication, commitment, imagination and responsibility. These are many of the skills we seek in our camp counselors, thus the Eagles program is a perfect stepping stone for a child who may aspire to become a counselor in the future.
